

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-708-449-7373. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-708-449-7373 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$250 individual \$750 family (maximum of 3 individual deductibles per family per calendar year)	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> before this plan begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. For employees and spouses participating in the wellness benefit and for enrollees in the <a href="#">plan's</a> disease management program.	This <a href="#">plan</a> covers some items and services even if you haven't met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$25 for dental benefits per person and \$25 for prescription drugs per person. There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$750 per individual for PPO medical. \$2,000 individual prescription drugs. \$4,000 family prescription drugs.	The <a href="#">out-of-pocket limit</a> is the most you could pay during a covered period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">balance billing</a> , health care services this <a href="#">plan</a> does not cover, <a href="#">deductibles</a> , covered services at non-PPO hospitals, non-PPO ambulatory surgical facilities, or by non-PPO physicians, and copayments for failure to obtain <a href="#">preauthorization</a> for certain services.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .

\* For more information about limitations and exceptions, see the plan or policy document at [www.sm73funds.org](http://www.sm73funds.org).

<p>Will you pay less if you use a <a href="#">network provider</a>?</p>	<p>Yes. For a list of participating providers, visit <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call 1-800-810-BLUE (2583) or call the Fund Office at 1-708-449-7373.</p>	<p>This <b>plan</b> uses a <b>provider network</b>. You will pay less if you use a <b>provider</b> in the <b>plan's network</b>. You will pay the most if you use an <b>out-of-network provider</b>, and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <b>plan</b> pays (<b>balance billing</b>). Be aware your <b>network provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.</p>
<p>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</p>	<p>No. You do not need a referral to see a <b>specialist</b>.</p>	<p>You can see the <b>specialist</b> you choose without a <b>referral</b>.</p>

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
