

Welfare, Pension and Annuity Funds

June 1, 2021

Women's Health and Cancer Rights Act of 1998

Dear Participant:

Under federal law, group health plans, insurers and HMOs that provide medical and surgical benefits in connection with a mastectomy must provide benefits for certain reconstructive surgery. In the case of a participant or beneficiary who is receiving benefits under the plan in connection with a mastectomy and who elects breast reconstruction, federal law requires coverage in a manner determined in consultation with the attending physician and the patient, for:

- Reconstruction of the breast on which the mastectomy was performed (currently covered by the Sheet Metal Workers' Local 73 Welfare Fund);
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas (currently covered by the Fund).

This coverage is subject to the plan's annual deductibles and coinsurance provisions. These provisions are generally described in the plan's Summary Plan Description (SPD).

If you have any questions about the plan's coverage for mastectomies or reconstructive surgery, please contact the Fund Office at 708-449-7373.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2020. Contact your State for more information on eligibility –
